

**WELCOME: *ALPHA PRODUCTS INTERNATIONAL***

Welcome to Alpha Products International API Inc. Corporate website. From this website you can visit our various products by clicking a link to the left.

Alpha Products International Inc. API Inc. manufactures every product that we sell. We are the manufacture and we can custom make any product that you find our website just for you if you are a large volume customer placing large orders.

At Alpha Products International Inc. you will find that we are easy to do business with. We offer wholesale electric scooters, wholesale American flags, wholesale lapel pins and patriotic products and we used to offer wholesale cable TV boxes, but now we only offer the remote controls for cable boxes. We also offer drop shipping for our online dealers. We sell to anyone that wants to buy from us as long as they meet our small minimum requirement per order. We also produce products overseas and deliver them direct to the customer anywhere in the world and we pass the savings right to you.

Alpha Products International Inc. operates out of the Des Moines Iowa area and since we are centrally located in the middle of the USA, we can get the products to any location within 3 days only by shipping FedEx ground service. Our facility is a 30,000 SQFT building with several shipping and receiving docks, forklifts and plenty of storage space. Soon we will operate our order lines 24 hours per day / 7 days per week. We offer customer pickup's at our warehouse for large orders only for our local customers and we offer discounts on some items if we do not have to ship them.
